

The Power of Your Words

1. Since Creation began in Genesis chapter 1, we see how words have been used to create or change circumstances. Often we go through life saying things that not only are not based on Scripture, but damaging to our personal lives not realizing that we are often destroying our family line for generations to come. Let's begin by thinking of a ***"situation(s) that you would like to see changed"*** and allow this study to help formulate thoughts and principles that will allow you to attain those desires. ***What are they?***

2. In Genesis chapter 1, it repeatedly says, "And God said..." [a] How many times does it make this statement? [b] What was the result each time God "said" something here?

3. In the Scriptures, another word that describes "say or said" is the word confession. Define each word [say, said, confession] noting their differences and similarities.

4. Read the following scriptures concerning the power of confession and give your interpretation for each one, using definitions where you feel greater clarity is needed.
 - a. Matthew 10:32, 33; Romans 10:9 - 13
 - b. Romans 14:10 - 13
 - c. James 5:16; First John 1:8 - 10
 - d. Mark 11:20 - 24
 - e. Matthew 12:33 - 37
 - f. Proverbs 11:9 - 13; Proverbs 12:6;
 - g. Proverbs 13:2, 3
 - h. James 3:1 - 12
 - i. Second Timothy 2:14 - 16
 - j. Revelations 12:7 - 12

5. What do you now feel you can do differently to speak in agreement with what God has already said in His Word? [b] Do you feel you can increase your ability to say more things that the Scriptures say you are supposed to have, be and do? [c] In what way will you accomplish this?
